\$5884.99

FFunds received: \$330.00 for membership dues (received on Feb 21 2009)

FDeductions: Web domain, patches

iv. Safety Coordinator:

FReflective tape – use it

FTurns and counter steering – Sharp turns, hit the bar hard, flop over. Do not ease too slowly in the turn. Roll the throttle to keep the bike stable.

v. Road Captains:

FKimberlie and Shelly – Today's ride. At the intersection of the 79/371, take the 79 to the 15 North. No twisties on this route. In Anza or Idyllwild there will be a group discussion to determine which route to take. Keep in mind the rule of group riding. Colleen Question: When in a curve, should one be closer or further from the bike in front of you?

Jett Answer: Visual is more important.

**9) Upcoming Rides/Events/Announcements**

FKimberlie talks about a rider course in Lancaster and wants to know if there are interested individuals in our group. The course will give group rates; the more participants, the greater the discount. This will probably be an overnight stay and the Holiday Inn Express is also giving a discount.

FCarol K wants to have a BBQ/Spring Bike Maintenance event at her house; SOL SISTER sponsored. Table this for discussion at the March meeting.

FRide on March 21 will honor K. Lee. Lilia is the master planner for this event. Other riders will join us. We should think about starting the March meeting an hour earlier since this ride will be about 6 hrs long. Kimberlie suggests keeping Carl informed.
