3. Spoon:

Carol was nominated for the spoon: Her and a few others stopped for gas, ran the credit card, placed the spout in the gas tank, continued chatting, took it out and passed it to her husband (our own Boy in the Breeze) and placed the cap back on the bike. A little while later down the road...she looked at the fuel gauge and was shocked to see it read "E". They pulled over, check the tank out and sure enough she was running on fumes (just enough to get to the next gas station). Turns out - she never pulled the handle on the fuel pump - focus interrupted...!
